Dear Michael, Susan, and special friends at Michael's Pizzeria:

Thank you so very much for reaching out to our ministry again this Christmas. We appreciate everything you did to make the holiday special for our kids. The Christmas Eve dinner that you served our kids was great! Everyone enjoyed what they ordered and the ice cream for desert was delicious! All of the kids enjoyed the Christmas presents that they were given. We appreciate each person who took the time to shop for and wrap each special gift. You helped our kids have a wonderful Christmas!

We are especially grateful for all of the hard work that you did to raise so much money for our cottages. The generosity from the community was overwhelming! It is encouraging to know that so many local business support our work with these special children.

Thanks again for your continued friendship and for showing our children that others care.

Sincerely,

Kris Blackman
