Michael's Pizzeria
5616 Calhoun Memorial Highway
Easley, South Carolina 29640

Dear Michael and friends:

Thank you so much for all you did for our children at Miracle Hill Children's Home over the Christmas holidays. The boys and girls in our care and in our foster homes enjoyed a wonderful Christmas filled with all they wished for. Your efforts to engage businesses in the area were a plus.

I am sorry I missed you when I came by your place today to thank you in person, but the pizzeria was closed until four. It is my plan to come back by another time. I did, however, get to visit with several of the businesses that helped make your efforts there a success. They all speak so highly of you, Michael. By the way, congratulations for being the Chamber's businessman of the year—that's probably not the correct title, but congratulations are still in order.

We are caring for almost 100 children between Miracle Hill Children's Home and Miracle Hill Boys Shelter. Almost half are currently in foster care and the others live on our campuses. We have a four-year-old in our crisis cottage right now who can barely speak. About all she can say is "mama". It is because of friends like you who give so generously that we can love her and get her the speech therapy she needs. Thank you for making a difference in her life and in the lives of the other boys and girls God has brought into our care.

Sincerely yours,

Frankie Powell
VP of Development
