Re: Business of the Year

Dear Michael and Susan:

I just wanted to extend my congratulations to you for winning this year's Business of the Year Award from the Easley Chamber of Commerce. That is quite an achievement, one that you certainly deserve!

I have watched your restaurant's success with great satisfaction ever since you came to Easley, and I see that you are always giving back to the community. I believe that you are a model for other local businesses, and I would encourage you to keep up the good work.

Sincerely,

Robert E. Dye, Jr.  
Senior Vice President & Chief Financial Officer
